

Cycle of Prayer for the Mid-Atlantic Episcopal School Association 2020-2021 School Year

You are invited to hold these schools in prayer during your weekly chapel service and in your daily prayers.

O God, we are living in a demanding time that requires much from those who work in our schools. Give us grace to be proud of ourselves and all we do to make our school communities better places. Lead us to teach, help, and support each other in such a way that we grow toward one another and all people. This week we remember the communities of: (schools for that week). Help the faculty and staff to see your presence in those they teach and serve, knowing they are serving you by being there for them. Help them to be instruments of your peace. Through Jesus, who came to learn, to reconcile, and to serve others in your most holy Name. Amen.
